

Dear Nan

I don't know how to start other than I love you .

Thank you for all the smiles you gave . Thank you for all the lives you changed .

knowing your at peace with your soul mate in gods hands , after devoting your life To church was never a demand .

Bringing up 2 of the strongest people in your children was never above you .  
Laying the foundations for them and always giving the benefit of the doubt

Bringing up your grand kids was never above you . Touching hearts in everyone who loved you .

With the heart of a lion and your fierce strict beliefs , that touched so many, now it's blessing your at peace .

The kind and generous aura you brought to so many , every life you touched will have a life lasting impact on so many

I miss our twice a day conversations at 10 and 6 and still have the alarms to remind me about this .

You taught people to love them selves and were always gracious and humble and always did it without a grumble .

Your on the top table where you belong , so rest in peace nan , until we meet again

love Jon
